12/15
County Board approved School Board motion on Historic District designation process

2/17 - TIA available for review
April/May 2016: Submit Use Permit
July/Sept 2016: County Board Hearing for Use Permit
2/17 - HALRB meeting
RECENT AND UPCOMING MEETINGS

- BLPC 2/1
- 2/9 meeting with APS instructional staff
- Ongoing coordination with Arlington County and Fire Department
- Ongoing coordination with Department of Parks and Recreation
- HALRB 2/17
SITE PLAN - PEDESTRIAN NETWORK
SITE PLAN - HISTORIC VIEW
FIRE ACCESS

DRIVEWAY OPTION

- Fire access to existing building does not meet code
- Removing a major fire access point by building on west parking lot
- Portions of existing roof and addition roof are 30’ above “grade plane,” so ladder truck access is required.
- Ladder truck access required at a maximum distance of 30’ from the building along one side
- Still exploring ways to comply on a challenging site
TREE IMPACT

- 368 trees on APS site
- 163 (approximate total) to be removed
- 205 to remain
- Currently, no “level 1” trees will be removed
- Required to replace approximately 200 trees
**TREE IMPACT**

- After survey is complete, tree inventory will be checked and any trees not on APS property will be removed from the count.
• Existing massing reflects “form follows function”
• Strong vertical and horizontal elements that respond to the topography
• “Future additions should emulate this formula so that the rationale behind the massing of the entire building remains consistent.”
• Existing materials: brick, limestone panels, and ashlar stone.
• Proposed additions should be “appropriately differentiated from the historic fabric.”
MATERIALS PRECEDENTS

Terracotta  Brick / Metal  Zinc / Stone  Copper  Channel Glass
